**Subject:** FW: RFP 10-01-05, JOC Program Evaluations

Last Friday I sent the above evaluation summary to Administration. I've not received back any questions or concerns.

Question:

What do you think about the following:

Since HISD has worked with and is familiar with the top four rated vendors, why not recommend the top four vendors(KBR, Fort Bend Mechanical, RHJ-JOC, and Jamial and Smith) to Administration and not have a short list or Oral Presentations?

Attached are the evaluation summaries for the vendors who submitted proposals for the above RFP. They are rated 1 thru 12.

The Office of Business Assistance provided the scoring for the M/WBE Requirements and the Finance Department provided the scoring for the Financial Resources, Stability, Long Term Cost evaluation factor.

I understand your concern, however, on the overall evaluation, they came in # 4.

In regards to M/WBE requirements only, I would have issue with moving forward with Jamail & Smith.

I would support the use of the Top Four JOCs. I do not believe that a Oral Presentation is warranted.

I support Alexis comments. As you are aware, J & S financial review was unacceptable and this should not be taken lightly.
